ACCEPTANCE OF MATERIALS FOR RECYCLING OR DISPOSAL: Customer must represent and warrant that the load contains only materials which meet the state of Connecticut Department of Environmental Protection Sec. 22a-209-1. Definition of "Clean Fill"

"Clean Fill" means (1) natural soil (2) rock, brick, ceramics, concrete, and asphalt paving fragments which are virtually inert and pose neither a pollution threat to ground or surface waters nor a fire hazard. Customer also certifies that this load does not contain any solid or hazardous waste, oil or petroleum, waste oil or chemical liquids regulated by state and/or federal law.
