PO Box 283, Trumbull, CT 06611 or go to, _____ to
pay on line.

“The Veterans and First Responder Center on Kaatz Pond will be a 5,500SF multi-use facility for Trumbull and the region’s veterans, first responders, small businesses, civic groups and residents to benefit from. Access to jobs, healthcare, workforce training and other services will be offered to over 30,000 veterans in the region. First responders will use the facility for workforce training needs including dive and water rescue training.

The Chamber of Commerce, Economic and Community Development Office and Commission, the Trumbull Rotary and small businesses will use the facility for business events, services and programs. Once constructed, the facility will be available to rent for various functions (weddings, showers, birthdays, etc...) providing a stream of income to fund operational expenses and programs. The total cost to construct the facility is estimated at approximately \$3,000,000.” (As described on the website trumbullvfc.org)
